

# Winnipeg Public Library Mobile Printing Tips and guidelines

---

With the new Winnipeg Public Library Mobile Printing service, you can send print jobs from any internet connected device and release them at Millennium Library.

## **Cost:**

All print jobs are paid for with cash (coin) only. Black and white print jobs cost \$0.25 per impression. Printing can be either single or double sided. Colour print jobs are \$0.85 per impression. Printing can be either single or double sided and on legal or letter size paper. The library coinbox will accept loonies, toonies, quarters, nickels and dimes to a maximum of \$20.00 per print job.

## **Where:**

This new mobile printing service is currently only available at Millennium library. Black and white print jobs can be released at any of the six print stations throughout the location. Colour print jobs can only be released at one of our new colour print station located in Reader services on the first floor or Information and Reference on the fourth floor. Print jobs are automatically deleted after 2 hours.
